V. OLD BUSINESS

Committee Reports

Infrastructure: *Co-Chairs Dean Cornella and Anelladee Spencer*

To include: Roads, Security, Trash, Mail, and Fire Subcommittees .

Anelladee Spencer reported on findings to proceed with the possibility of setting up the cluster mailboxes for South T-Bar residents. Charges for cluster mailboxes depended on number of boxes. Ranged from, \$1200 to \$1250. Pedestal charge was separate, but included all the parts and layout suggestions. Also there was interest by POA residents to help install pad and install the cluster.

Action: Anelladee Spencer to check with Postmaster on possibility of moving the boxes closer to the STB gate. A letter to residents to see how many would be interested using this mailbox cluster would go out next.

Action (10/10/2009): After Dean Cornella talks to Dan Ainsworth, he will email the details to the Coon's of an additional culvert needed on their property.

Legal: Co-Chairs Renee Suarez and Kim Wolfe

To include: Compliance, Grazing Lease, BLM and other Easements, Covenant Enforcement

Anelladee Spencer reached out to the BLM to set up a meeting to start a conversation regarding the easement. A meeting on December 3rd, at 3:00pm was mutually agreed upon.

VI. NEW BUSINESS

2010 Budget – Betty Sue Cornella

Briefly the board looked over the 2010 Budget that would be presented to the POA members for approval.

Alternate Route out of the Ranch for Emergencies – Anelladee Spencer

The emergency exit that leads out of the ranch from Parcel XX was revisited. This was reviewed back in 2005 and research to what had been accomplished at that time, was checked by Anelladee. There would be legal work necessary to pursue this option.

Action: Lucy to research and forward information from the Board Minutes and Correspondence to obtain names of those participating in the emergency road option.

Communication - Joe Price, Chair

To include: Website and Newsletter Subcommittees

A new Newsletter editor needs to be found. For this issue, the newsletter will be posted on the website. There will be a notice to ask for a volunteer to become the newsletter editor.

Action: Joe Price will contact Curtis Eulert on options to have Elk View and Hall Gulch access to the newsletter as they do not have access to the POA Documents section if that would be where this newsletter would be posted. There is a concern about the posted new gate code changes getting out to the public.

Mineral Loans – Betty Sue Cornella and Joe Price

Joe Price and Betty Sue Cornella are still working with the bank to convert the Line of Credit to a fixed term loan to stabilize the interest rate and payment schedule. Bank is requesting a formal document tying the mineral income to the loan.

VII. POA MEMBER COMMENTS

Rick Averna wanted to make sure that an option for POA members to pay off their entire special assessment be included when presented to the POA members.

Mark Osgood believes that the Line of Credit is actually two separate loans. One that was approved by the Board and one that was not. He also stated of his concern about the road maintenance budget figures.

Steve Coon suggested that renegotiation of the Road Maintenance contract to suggest the monthly fee be split in half. One half for actual hours worked and the second half for materials needed.

VIII. ADJOURNMENT – 8:18 am

Next Board meeting will be held Saturday, December 12, 2009. Betty Sue Cornella moved to adjourn the meeting. Dean Cornella seconded. The motion passed and the meeting was adjourned.
