

POLICY FOR INVESTMENT OF RESERVE FUNDS

PURPOSE: To ensure the safety and liquidity of reserve funds of the Association by establishing a policy for the investment of the reserve funds.

AUTHORITY: The Declaration of Protective Covenants (hereinafter "Declaration"), Articles of Incorporation and Bylaws of the Association and Colorado law.

1. Scope. In order to properly maintain areas in the Community that are the responsibility of the Association, to comply with state statutes, to manage reserve funds, and to protect the market value of Owners' homes and livability in the Community, Colorado law requires the Association to have policies and procedures for the investment of reserve funds.
2. Purpose of the Reserve Fund. The purpose of the Reserve Fund shall be to responsibly fund and finance the projected repair and replacement of those portions of the Community that the Association is responsible for and for such other funding as the Board of Directors may determine.
3. Investment of Reserves. The Board of Directors of the Association shall invest funds held in the Reserve Funds accounts to generate revenue that will accrue to the Reserve Funds accounts balance pursuant to the following goals, criteria and policies:
 - (a) Safety of Principal. Promote and ensure the preservation of the Reserve Fund's principal.
 - (b) Liquidity and Accessibility. Structure maturities to ensure availability of assets for projected or unexpected expenditures.
 - (c) Minimal Costs. Investments costs (redemption fees, commissions, and other transactional costs) should be minimized.
 - (d) Diversify. Mitigate the effects of interest rate volatility upon reserve assets.
 - (e) Return. Funds should be invested to seek the maximum return feasible.

4. Limitation on Investments. Unless otherwise approved by the Board, all investments will be FDIC (Federal Deposit Insurance Corporation) insured and/or guaranteed by the United States Government.
5. Investment Strategy. The investment strategy of the Association should emphasize a long-term outlook by diversifying the maturity dates of fixed-income instruments within the portfolio utilizing a laddered investment approach.
6. Independent Professional Investment Assistance. The Board of Directors of the Association may hire a qualified investment counselor to assist in formulating a specific investment strategy.
7. Review and Control. The Board shall review Reserve Fund investments periodically to ensure that the funds are receiving competitive yields and shall make prudent adjustments as needed. Prior to any investment decision, the Treasurer shall verify that the proposed product falls within the investment and maturity guidelines and meet the requirements of any current or future liquidity for anticipated expenses.
8. Reserve Study. In order to determine funding of the Reserve Fund, the Board of Directors may determine, with the assistance and advice of professionals, the life expectancy of those portions of the Community to be maintained by the Association and the anticipated costs of maintaining, replacing and improving those identified areas (hereinafter referred to as a "Reserve Study").
9. Review of Reserve Study. The Board of Directors shall cause the Reserve Study, if any, and reserve funding to be reviewed and updated periodically, at least once every three years, to adjust and make changes in costs, inflation and interest yield on invested funds, plus modification, addition or deletion of components.
10. Standard of Care. The officers and members of the Board of Directors shall make investment decisions in good faith, with the care an ordinarily prudent person in a like position would exercise under similar circumstances, and in a manner the Director or officer reasonably believes to be in the best interests of the Association in accordance with the Colorado Revised Nonprofit Corporation Act.
11. Definitions. Unless otherwise defined in this Policy, initially capitalized or terms defined in the Declaration shall have the same meaning herein.

12. Supplement to Law. The provisions of this Policy shall be in addition to and in supplement of the terms and provisions of the Declaration and the law of the State of Colorado governing the Association.
13. Deviations. The Board may deviate from the procedures set forth in this Policy if in its sole discretion such deviation is reasonable under the circumstances.
14. Amendment. This policy may be amended by the Board of Directors.
